**EPA (End Point Assessment).** All apprentices must undertake an independent End-point Assessment at the end of the on-programme phase of training, when their employer (supported by the College) is satisfied they have met the Gateway\* criteria to undertake the assessment.

**End-point Assessments are graded and an apprenticeship certificate is only awarded after the assessment is successfully completed.**

\* Gateway

When an apprentice reaches the end of their training, the employer (supported by the College) will make the decision on whether the apprentice is ready to progress towards the End-point Assessment. This process or stage is known as the gateway.
